

The Masses and the Classes Use and Praise Peruna

A FRUIT GROWER'S LETTER.

W. E. Birch, fruit grower, Afton, Va., writes:

"My wife was very much run down and out of sorts every way. She had female weakness and was very weak, nervous, and had no appetite. I tried her on everything I could think of, but she would not touch a thing—could not eat strawberries, even. I saw Peruna in my father's store one day, and after reading the printed matter on the bottle, decided to have my wife try it. Before she had taken half of the bottle, she commenced to eat, and now she is hungry all the time. We both agree that it beats any medicine to bring an appetite and put the nerves in good shape that we have ever had anything to do with."

"We had our family doctor to give her medicine, but she did not improve in the least. She had consumption in her family and she was in such bad shape and so run down that I began to get very uneasy, but your medicine has made an entirely new woman of her. I believe she eats and feels better now than she has for years. I had no idea it would do half that it has done, and don't think there is another medicine made that will begin to compare with it."—W. E. Birch.

A COUNT'S LETTER.

Count Segundo de Ovies, whose family has been one of the most influential and wealthy of Spain, and who is the last of this illustrious race, in a recent letter gives his endorsement to Peruna, in the following words written from The Canfield, Atlantic City, N. J.:

"Last winter my secretary had a severe attack of la grippe which was cured effectually by the use of four bottles of Peruna, so when I contracted the same unpleasant sickness last fall I at once sent for a bottle. It truly worked wonders, and removed the sickness and sore feeling I had within a few days. I would not be without it now for any money, and when I go away I carry Peruna as a valuable requisite to my traveling outfit."—Julian Segundo, Conde de Ovies.

A BARBER'S LETTER.

D. L. Wallace, a charter member of the International Barbers' Union, writes from 15 Western avenue, Minneapolis, Minn.:

"Following a severe attack of la grippe I seemed to be affected badly all over. I suffered with a severe backache, indigestion, and numerous ills, so I could neither eat nor sleep, and I thought I would give up my work, which I could not afford to do."

"One of my customers who was greatly helped by Peruna advised me to try it, and I procured a bottle the same day. I used it faithfully and felt a marked improvement. During the next two months I took five bottles, and then felt splendid. Now my head is clear, my nerves are steady, I enjoy food, and rest well. Peruna has been worth a dollar a dose to me."—D. L. Wallace.

to all persons."—James Morgan.

AN OLD MAN'S LETTER.

Mr. Isaac Brock of McLennan county, Tex., has attained the great age of 114 years. He speaks as follows of Peruna:

"After a man has lived in the world as long as I have he ought to have found out a great many things by experience. I think I have done so. One of the things I have found out to my entire satisfaction is the proper remedy for ailments due directly to the effects of the climate. For 114 years I have withstood the changeable climate of the United States. During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhoea. I had always supposed these ailments to be different diseases. For the last ten or fifteen years I have been reading Dr. Hartman's books and have learned from them one thing in particular: that these ailments are the same, and that they are properly called catarrh. As for Dr. Hartman's remedy, Peruna, I have found it to be the best, if not the only reliable remedy for these ailments. It has been my standby for many years, and I attribute my good health and my extreme age to this remedy."—Mr. Isaac Brock.

"Close application to my books in order to pass a creditable examination, with extra work in connection with socials and clubs, told on my constitution last spring. I had constant headache and that tired feeling when nothing in the world seemed right. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic."—Hon. W. V. Sullivan.

A PASTOR'S LETTER.

Rev. S. H. Renfro of Norborne, Mo., had running ears. He says:

"My head gathered and broke and my ears ran terribly. I tried several remedies with no relief. At last I got a bottle of Peruna, and it did me so much good that I kept on using it; am on the fourth bottle, and must say it has removed all my bad symptoms. My head does not pain any more, my ears have stopped running and I feel a great deal better."—Rev. S. H. Renfro.

A JUDGE'S LETTER.

Judge S. H. Mangum of Helena, Ark., says the following in regard to Peruna as a catarrh cure and general tonic:

She had catarrh of the nose which caused an offensive discharge and bad breath."

"She was also bothered with her stomach a great deal for about three years. She seldom complains of it now since taking your medicine. We think she had catarrh of the stomach. We give your medicine high praise, and recommend it to others."—Henry Wesseler.

A SAWYER'S LETTER.

P. W. Radtke, 740 Mintz street, Philadelphia, Pa., writes:

I have tried almost every cure on the face of the earth, and had doctors attend me at their office and in the hospital, but could not get relief until I tried your wonderful Peruna. I was very doubtful whether it would help me, but at a good friend's advice I tried your Peruna, which is a God-send to all catarrh sufferers. After taking but four bottles, I am very much pleased indeed. I can safely say that one more bottle will be enough. After taking the second bottle I could go to work at my trade (sawyer), and the dust has no effect on my throat now. I shall recommend Peruna to everybody who suffers with catarrh."—P. W. Radtke.

A YOUNG GIRL'S LETTER.

Miss Callie Windham, Moore's Bridge, Ala., Tuscaloosa Co., writes:

I have now taken nearly five bottles of Peruna, and feel as well as I ever did in my life. I feel that it is a great blessing to me. I can safely recommend Peruna as a permanent cure for catarrh of the throat and will take pleasure in doing so."—Callie Windham.

change, and in less than three months I was completely cured, and have had no trouble in that direction since."—Otto Engelard.

A SOCIETY LADY'S LETTER.

Miss Olive Carland, 181 51st St., Brooklyn, N. Y., writes:

"Last winter coming home from a ball I was suddenly chilled and caught a severe cold which settled on my lungs and in my head. Mrs. George Van Dusen, Mohawk, Henry county, N. Y., writes:

"Having derived so much benefit from your grand medicine I felt as if I must write to you and tell you what a great help it has been to me."

"My little daughter when but two months old took a severe cold and it settled in her head and continued to get worse, and in a few months terminated in the worst case of catarrh that has ever been known in this part of the state. After doctoring with the best doctors for three years and receiving no benefits, we were persuaded to try an advertised catarrh cure. We

thought it was helping her at first, but after using twenty or more bottles she was as bad as ever."

"As a last resort we began with Peruna, and she is now nine years old and for the past year has been the healthiest child you ever saw. The catarrh has entirely disappeared; no discharge, no odor at all, but we still keep the precious bottle in the house, and at the first appearance of cold with any of us, we immediately take Peruna, for we know there is nothing like it. In our estimation it is priceless."—Mrs. George Van Dusen.

AN ARTILLERYMAN'S LETTER.

Captain T. H. Rundle, 3rd Battery of the Wisconsin Light Artillery, writes from Loda, Ill.:

"I have nothing but praise for Peruna. This winter a severe cold settled in my kidneys, and my stomach was in such a bad catarrhal condition that I could not eat. I lost appetite and sleep and nothing helped me until the doctor told me to try Peruna."

"That was the finest prescription he could have given. It seemed to restore me to my usual health quicker than anything I had ever taken. In two days I had a fine appetite, slept like a child, and felt like a man once more. I would not be without it in my family for ten times its cost."—T. H. Rundle.

A FIREMAN'S LETTER.

Mr. John Sweeting, Captain Fire Department of Evanston, Ill., says:

"Some time ago we had such continual hard service that I, as well as my men, was completely exhausted and felt my nerves give way. One of our men had tried Peruna a couple of years ago and he advised us to try it. We did so and found the change simply marvelous. A dose seemed better than a meal, and in ten days we were all feeling fine."—John Sweeting.

"I send you my own and my baby's picture. She is so sweet and good, she is a Peruna baby. I have such good health now. I do all my housework and take care of my baby, and feel so good."

"There are three or four of my neighbors using Peruna now, since it did me so much good. They were just run down, and they think it is fine. It is so good to give strength."—Mrs. W. McRoberts.

Chief Justice Chambers, of Washington, D. C., writes as follows:

"I have tried one bottle of Peruna

and I can truthfully say it is one of the best tonics I ever used and I take pleasure in recommending it to all sufferers who are in need of a good medicine. I can recommend it as one of the very best remedies for catarrh."—W. L. Chambers.

A TRAVELER'S LETTER.

J. Edward Clark, 402 Temple street, Los Angeles, Cal., writes:

"I fully believe Peruna saved my life. About two years ago after returning from Alaska I was taken with catarrh of the stomach and in fact of the whole system. My stomach failed me, as nothing I ate seemed to do me any good, but always gave me pains and belching of gas. My kidneys got sore and weak, I had palpitation of the heart, my lungs were sore, and it was difficult to draw a long breath. I also had fainting spells, and while walking was afraid I might fall to the sidewalk. I also had to get up at night and sit in a chair to keep from smothering. My legs and arms pained me most of the time, my feet were cold on the hottest day, my tongue was coated, I had chills from my head to my feet. I was weak and had very little life and everything looked dark to me, and often wished for the end."

"I took all kinds of medicine—do not think there is a drug-store in this city that I did not get some truck from. I also used vapor baths, dieted, drank all the mineral waters, had many consultations with two of the best doctors of this city, used their prescriptions, but all seemed no use."

"After months of this kind of work I fully made up my mind to try Peruna, and thank God for it, as I had not used over two bottles until I felt a change, and have been getting better ever since, and now I am well and strong. All my friends tell me how well I look. Let me say to those who are sick, try Peruna if you have any of my symptoms, it will cure you. Don't expect to be cured by one bottle, but stick to it until cured."—J. Edward Clark.

A CAVALRYMAN'S LETTER.

Anton J. Frank, Captain of the 12th Ohio Cavalry, Co. D., writes from 632 Lincoln avenue, Chicago, Ill.:

"No praise bestowed upon Peruna could be too high. I suffered for years with a complication of troubles of the pelvic organs from exposure in the army, and could find no relief until I tried Peruna. It meant life and health to me, broken down as I was and unable to enjoy life. I am now feeling well and strong, and without one ache or pain."—Anton J. Frank.

A CHAPLAIN'S LETTER.

Mrs. Z. L. H. Burns, Chaplain of Lincoln Lodge, Sons of St. George, writes from Benton, Ind.:

"I do not know just how Peruna is made, but I do know there is as much difference in effect in using Peruna as any other medicine as there is between night and day. Every dose seems to instill life and health. I have been troubled with catarrh of the head for years, also with influenza. But it is all gone. Peruna seemed to cure it in an incredibly short time. I only used three bottles and I am to-day as healthy and well as any man could wish to be. Inclement or damp weather I do not dread, as Peruna cures a cold in a short time."—Z. L. H. Burns.

A BAND-MASTER'S LETTER.

W. H. Santelmann, Leader of the U. S. Marine Corps Band of Washington, D. C., writes:

"I take pleasure in testifying to the merits of your Peruna. My wife is now using it, and she is very much improved. As a spring tonic I know of nothing better and take pleasure in recommending it to all who are in need of a good, safe remedy."—W. H. Santelmann.
